

VISITING TEAM PARENTS AND FANS RECEPTIONS & TAILGATES:

- As with all tailgating at Lehigh; there are no indoor facilities available in the case of bad weather.
- The Rust Family Pavilion was constructed primarily for the use of our football alumni during the football season. It may serve as a site for visiting team tailgating as scheduling permits. Please note that there are no lights or power at the Rust Family Pavilion.
- Sharing of the Mistele Family Pavilion with visiting teams is up to the discretion of the parents.
- If neither the Mistele Family Pavilion nor the Rust Family Pavilion is available the remaining option is the general parking lots.
- Tailgating is permitted only in areas where the flow of traffic is not obstructed and must comply with parking regulations. Please limit your tailgate to the area immediately behind your vehicle. Please do not set tables, chairs or coolers up in adjacent parking spaces. No tents or awnings may be erected in parking spaces or in such a manner as to impede the flow of traffic. We ask for your cooperation since space can be at a premium.
- Alcoholic beverages are permitted in designated parking area. Beer kegs and/or excessive quantities of alcohol (wine, spirits and/or beer) are not permitted in the parking areas. Consumption of alcohol by underage drinkers will not be tolerated. Alcoholic beverages and tobacco products are not permitted at any competition site due to Lehigh University, Patriot League, and NCAA policy
- Please dispose of any trash or food items in the appropriate trash or recycling containers which are provided throughout the grounds. Please properly dispose of charcoal by not placing hot coals in dumpsters or trash containers.
- All athletes should use the locker room facilities immediately at the conclusion of the game. The locker facilities will be available for one hour after an event.
